Jeep Keyhole Covers

We're excited for you to try your new **Keyhole Covers!**

We'd love to see how they look on your Jeep—share a pic or video with us!

Installation Instructions

1. Start by aligning one side of the cover onto the keylock.

2. Apply gentle pressure to the opposite side as you snap the cover into place.

Note: No glue or magnets are needed—our Keyhole Covers are designed to stay secure while being easy to remove when needed.

Removal Instructions

Your package includes a handy Keycap Removal Tool—perfect for keeping on your keychain or in your glovebox.

1. Locate the small notch on the side of the keycap.

2. Insert the removal tool into the notch and rotate it gently, lifting one side of the cover.

3. Snap the cover off with ease!

Our Keyhole Covers are designed for quick removal so you can switch them out or remove them as needed.

Support Survival "Pink Ribbon" Edition

If you purchased the Support Survival edition, all of the install and removal instructions are the same as above. These handmade keyhole covers are designed for SHOW ONLY & are a perfect way to support the cause at your next Breast Cancer Jeep event!

We donate 5% of all proceeds to the Susan G. Komen Breast Cancer Foundation

Enjoy the **Journey!**

Thank you for choosing **4x3D**. We hope your Keyhole Covers add the perfect blend of style and function to your Jeep.
